OVERSEAS EXPERIENCES:

Feb 2021 – Aug 2023

Saud Abdulaziz Al Mohannadi | Domestic Worker

Dakhira, Qatar

We are 3 workers in big house so tasks are divided amongst us three. My tasks are cleaning the house together with another worker, ironing the clothes after lunch and do errands in between hours whenever the employers ask me to do something like taking food deliveries or getting something for them.

Jan 2019 – Jan 2019

SMASCO – Raha | On-call Cleaner

Riyadh, Saudi Arabia

Performed my tasks efficiently and consistently with all honesty and with satisfaction. Have worked with different households, most of them contracted me for long term contracts because of good performance. Thus I was awarded with recognition by the company. Taking responsibility seriously is a big factor to consider for a good performance. My job is basically like a live out housemaid but the schedule is split in the morning and late in the afternoon. Tasks would be cleaning the house or apartment but most importantly is cleaning the kitchen and bathrooms, ironing and organizing.
